4 Biological Cases of Alzheimer's

①, ②, ③, ④

get to school

at home and she is in the car
Sally sends a text

as reach first hill over red light
 speed, as man with white car
 road looking more, as a man study the way
 as hit end road, as place here
 painted Best road, as to New York

then go for road for
 man playing football and belly
 as to belly.

Starts in hippocampus

Reduces neurotransmitter
acetylcholine

Plaques forming in neurons

Neurofibrillary tangles

dog Bar Math Petro

 (person in row)
